

Prior Information Notice

The Anti-Fraud Office of the European Commission (OLAF) wishes to conclude a service contract for the organisation of advanced investigative training for its operational staff.

This training, to be provided to 20 members of staff in Brussels, should address the specificities of conducting administrative investigations in the EU environment and include inter alia courses on interviewing, financial analysis and reporting.

The training should lead to certification acknowledged on an international level.

Interested persons can express an interest by contacting:

OLAF-FMB-TENDERS@ec.europa.eu

Selected persons will subsequently receive the terms of reference for this tender, including details on the requested course content.

Provisional time line:

before 15 April 2014:	expression of interest
before 30 April 2014:	selection of candidates and invitation to tender
before 31 May 2014:	receipt of proposals
before 30 June 2014:	selection of contractor
