Article 7

Execution of requests for assistance

1. In order to comply with a request for assistance, the requested authority shall proceed, within the limits of its competence and available resources, as though it were acting on its own account or at the request of other authorities of that same Party or Signatory CARIFORUM State, by supplying information already in its possession, by carrying out appropriate enquiries or by arranging for them to be carried out. This provision shall also apply to any other authority to which the request has been addressed by the requested authority when the latter cannot act on its own.

2. Requests for assistance shall be executed in accordance with the legal or regulatory provisions of the requested Party or Signatory CARIFORUM State.

3. Duly authorised officials of a Party or Signatory CARIFORUM State may, with the agreement of the other Party involved and subject to the conditions laid down by the latter, be present to obtain in the offices of the requested authority or any other concerned authority in accordance with paragraph 1, information relating to activities that are or may be operations in breach of customs legislation which the applicant authority needs for the purposes of this Protocol.

3. Original documents shall be transmitted only upon request in cases where certified copies would be insufficient. These originals shall be returned at the earliest opportunity.

Article 9

Exceptions to the obligation to provide assistance

1. Assistance may be refused or may be subject to the satisfaction of certain conditions or requirements, in cases where a Signatory CARIFORUM State or the EC Party is of the opinion that assistance under this Protocol would:

(a) be likely to prejudice the sovereignty of a Signatory CARIFORUM State or that of a Member State of the European Union which has been requested to provide assistance under this Protocol; or

(b) be likely to prejudice public policy, security or other essential interests, in particular in the cases referred to under Article 10(2); or

(c) violate an industrial, commercial or professional secret.

2. Assistance may be postponed by the requested authority on the ground that it will interfere with an ongoing investigation, prosecution or proceeding. In such a case, the requested authority shall consult with the applicant authority to determine if assistance can be given subject to such terms or conditions as the requested authority may require.

3. Where the applicant authority seeks assistance which it would itself be unable to provide if so requested, it shall draw attention to that fact in its request. It shall then be for the requested authority to decide how to respond to such a request.

4. For the cases referred to in paragraphs 1 and 2, the decision of the requested authority and the reasons therefore must be communicated to the applicant authority without delay.

Article 10

Information exchange and confidentiality

1. Any information communicated in whatsoever form pursuant to this Protocol shall be of a confidential or restricted nature, depending on the rules applicable in each of the Parties or the Signatory CARIFORUM States. It shall be covered by the obligation of official secrecy and shall enjoy the protection extended to similar information under the relevant laws of the Party or the Signatory CARIFORUM State that received it and the corresponding provisions applying to the European Community authorities.

2. Personal data may be exchanged only where the Party or the Signatory CARIFORUM State which may receive them undertakes to protect such data in at least an equivalent way to the one applicable to that particular case in the Party or the Signatory CARIFORUM State that may supply them. To that end, parties shall communicate to each other information on their applicable rules, including, where appropriate, legal provisions in force in the Member States of the European Union.

3. The use, in judicial or administrative proceedings instituted in respect of operations in breach of customs legislation, of information obtained under this Protocol, is considered to be for the purposes of this Protocol. Therefore, the Parties or the Signatory CARIFORUM States may, in their records of evidence, reports and testimonies and in proceedings and charges brought before the courts, use as evidence information obtained and documents consulted in accordance with the provisions of this Protocol. The competent authority which supplied that information or gave access to those documents shall be notified of such use.

4. Information obtained shall be used solely for the purposes of this Protocol. Where one of the Parties or Signatory CARIFORUM State wishes to use such information for other purposes, it shall obtain the prior written consent of the authority which provided the information. Such use shall then be subject to any restrictions laid down by that authority.

Article 11

Experts and witnesses

An official of a requested authority may be authorised to appear, within the limitations of the authorisation granted, as an expert or witness in judicial or administrative proceedings regarding the matters covered by this Protocol, and produce such objects, documents or certified copies thereof, as may be needed for the proceedings. The request for appearance must indicate specifically before which judicial or administrative authority the official will have to appear, on what matters and by virtue of what title or qualification the official will be questioned.

Article 12

Assistance expenses

The Parties or Signatory CARIFORUM States shall waive all claims on each other for the reimbursement of expenses incurred pursuant to this Protocol, except, as appropriate, for expenses to experts and witnesses, and those to interpreters and translators who are not public service employees.

Article 13

Implementation

1. The implementation of this Protocol shall be entrusted on the one hand to the customs authorities of the Signatory CARIFORUM States and on the other hand to the competent services of the Commission of the European Communities and the customs authorities of the Member States of the European Union as appropriate. They shall decide on all practical measures and arrangements necessary for its application, taking into consideration the rules in force in particular in the field of data protection. They may recommend to the competent bodies amendments which they consider should be made to this Protocol.

2. The Parties and the Signatory CARIFORUM States shall consult each other and subsequently keep each other informed of the detailed rules of implementation which are adopted in accordance with the provisions of this Protocol.

Article 14

Other agreements

1. Taking into account the respective competences of the European Community and the Member States of the European Union, the provisions of this Protocol shall:

(a) not affect the obligations of the Parties and the Signatory CARIFORUM States under any other international Agreement or Convention,

(b) be deemed complementary to Agreements on mutual assistance which have been or may be concluded between individual Member States of the European Union and Signatory CARIFORUM States.

2. The provisions of this Protocol shall not affect the European Community provisions governing the communication between the competent services of the Commission of the European Communities and the customs authorities of the Member States of the European Union of any information obtained under this Protocol which could be of interest to the European Community.

3. Notwithstanding the provisions of paragraph 1, the provisions of this Protocol shall take precedence over the provisions of any bilateral Agreement on mutual assistance which has been or may be concluded between individual Member States of the European Union and any Signatory CARIFORUM State insofar as the provisions of the latter are incompatible with those of this Protocol.

4. In respect of questions relating to the applicability of this Protocol, the Parties shall consult each other to resolve the matter in the framework of the Special Committee on Customs Cooperation and Trade Facilitation set up under Article 36 of the CARIFORUM-EC Economic Partnership Agreement.
